The Centinel, official publication of the Society, is published four times per year by Printing Unlimited, Evanston, Illinois. Howard B. Eisenberg, Editor, P. O. Box 45307, Chicago, Illinois 60645. FROM OUR OFFICERS

That time is here again. Spring—with the “birds and bees, and the budding of the trees” and best of all the C.S.N.S. convention in Peoria. Perhaps some of you appreciate the fact that I can speak to you only four times a year, but this time it is the pleasant task of inviting you to our annual show. Peoria, Illinois’ second largest city, is but a hop, skip, and jump from Chicago, Cliff Gillett and his committee have a most interesting program planned as you will read elsewhere in THE CENTINEL. Two of the tour highlights are the Caterpillar Tractor Company and the Hiram Walker Distillery. You are invited to sample products at both plants.

The Peoria convention will not be one of the C.S.N.S.’ largest, but I predict it will be one of the finest. I always have felt that we should not try to compete with the A.N.A. as far as a volume turnout is concerned, but we should compete with them as far as quality is concerned.

The educational program consists of Dick Yeoman, Admiral Oscar Dodson, and Dr. John Davenport. With such fine people, the interesting tours, and our usual outstanding group of dealers and exhibitors how can the Peoria convention miss? Come to Peoria and have a whale of a time!

Philip J. More
President

I would like to start this message by paying respects to my immediate predecessor in office, Paul E. Olson of Minneapolis. As you know, Paul succeeded me and I succeeded him as Secretary of the Central States Numismatic Society. He was an old time credit man from the Pittsburgh Paints organization and quite naturally brought some of this experience and training along with him. Paul had many friends and like all of us, a few enemies, but I shall remember him as a man very faithful and doggedly determined if he felt he was right. He served the Central States Numismatic Society well as Vice President and Secretary. I knew him quite personally, enjoyed my associations with him and was shocked by his sudden passing. This issue marks the tenth anniversary of my first becoming Secretary of the C.S.N.S. In this ten year period I have served you six and Paul, four years. Each of us may have fallen down terribly in some categories of this office, but I do know that each of us has consistently begged of you to keep us posted when you moved. Many letters have come back to your secretary because of incomplete or wrong address, we certainly are a “moving” bunch of collectors. That’s O.K. but why not include us in your moving plans?

Dr. F. S. Epps
Secretary-Treasurer

PAUL E. OLSON DIES SUDDENLY

It is with the deepest regret that we have learned of the death of the immediate past Secretary of the Central States Numismatic Society, Paul E. Olson. Although little information is available to use at this time, Olson apparently passed away suddenly late in January in his Minneapolis home.

A life long bachelor, Olson served as Secretary of our Society from 1962 to 1966; he succeeded Dr. F. S. Epps who, in turn, succeeded Olson in 1966. Olson also served as First Vice President of the Society as well as Governor. In 1961 the late numismatist was General Chairman of the 19th Annual C.S.N.S. convention.

Paul E. Olson

Society President, Philip J. More, called Olson "an outstanding numismatist and a devoted friend of the C.S.N.S." "Our organization has lost a true friend and diligent worker. It won't be the same without Paul's helpful suggestions."

It is hoped that more information will be available for the July CENTINEL.

D. W. JOHNSON GETS MEDALLIC ART APPOINTMENT

Former COIN WORLD Editor, D. Wayne Johnson, has been appointed Sales Promotion and Research Director for the Medalllic Art Company of New York according to William T. Louth, President. Johnson, C.S.N.S. Life Member 89, will direct the research activities of this medal organization and be in charge of advertising and public relations in addition to the numismatic functions of supervising and cataloging the medalllic collection and occasionally preparing medalllic

displays from specimen in the collection. Louth expressed the hope that while working with many of the country's leading business firms, trade and professional associations, colleges and universities, Johnson would be able to bring closer liaison between numismatic organizations throughout the country.

Dick Johnson, 36, is well known in numismatics having served as Editor of COIN WORLD from its inception in April, 1960 until June, 1963.

How I Began

By MARTY GREENE

*"Reprinted with permission,
'Numismatic Scrapbook Magazine' June, 1965"*

Until the summer of 1963, my only numismatic experiences occurred more than thirty years ago in Kansas City, Mo. As an eight-year old I was amazed when my aunt handed me a fist full of Indian pennies with the advice that some day Woolworth's was going to build a new office building that would have its exterior surface finished with Mr. Longacre's contribution to the American people. The fact that those Indians would some day be worth 3¢ each did not keep me from dashing rapidly to the local confectionery for a new supply of wine balls, brown betties, and bubble gum, and the foundation of my fortune was swept away.

In that same fresh era of fishing poles, ice cards in the window, and Will Rogers, my brother traded his cherished old stockless and barrelless model of Mr. Quackenbush's hinged breech 22 gauge rifle (that he had bought for fifty cents and never fired more than twice) for an 1849 California gold piece of some kind. The gold piece was wafer thin, and had been glued into its former owner's scrap. We studied the piece at least three days before selling it to Mr. Cobbler, the local jeweler, for scrap gold.

Until June of 1963, I was sure that the best use for a 50-D or 3-legged Buffalo nickel would be to put two of them together and buy a ten-cent cigar. And with three 1877 Indian cents, one could weigh himself three times and go home.

Then one night my 8-year old daughter Debbie disturbed my tranquil paper reading by presenting me with a German pfennig and the question, "Dad, what is it?" With my limited knowledge of foreign exchange, my whole family embarked on a pleasant evening of discussing various media of exchange, and the fact that many people collect various items such as stamps, coins, match books, and bent nails. It was decided that we could make money for a vacation or a third TV set, all in our spare time, if we looked for rare coins in pocket change. (At this point my free time was being spent growing mushrooms, raising rabbits and weaving rubber mats out of old auto tires.)

The next evening, I came home with a Whitman Bluebook, a ten-cent magnifier, and a pocket full of change. After dinner, Debbie read the dates on the coins while I tried to locate the area of the coin where the mint mark would be

found. We salvaged such goodies as a 44-D cent XF, 3 '36 Buffalo 5¢ VF, and a 63-D half AU. All worked diligently each night until all suitable envelopes and containers were filled with the junky coins. The high spot of these few days came when we found a 37-D 5¢ which I was sure was a 3-legger. The next day I showed the rare one to a dealer for verification. I was disillusioned when he showed me a true 3-legger from his stock and pointed out that I should get another one like the one I had, and go buy a ten-cent cigar.

But we persisted and by the fourth of July, I had more coins than I could afford to save or room to store.

It was at this point that I received the first ultimatum from my wife, the Northbrook War Dept. "If you don't get those **&%\$!! coins out of the dining room, bedroom, etc., I'll deposit the whole lot at the bank!" Naturally as a true coin speculator or whatever the heck I was doing (I didn't know) I must have returned some verbal fire such as "Keep your hands off my junk or I'll burn your books." And right then war was declared, coin nut vs. philosopher.

One day Debbie, my other daughter Karol, and I hauled all of the junk we had accumulated to a part time dealer. After looking thru the hundreds of envelopes we had brought, he said that one coin was all he needed, and paid me 50¢ for a Jefferson nickel. I didn't even know which one it was, but looking back it must have been

a 50-D.

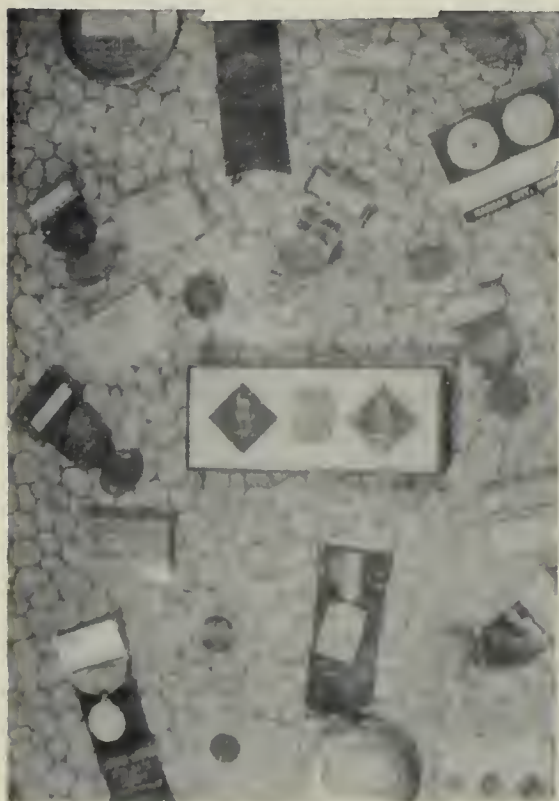

It is interesting to note that most coin enthusiasts start out to fill holes in books, to complete sets and gain some historical knowledge thru their interest in the hobby. And maybe after many years of collecting and study, find a profit in coins. I was not even willing to hoard the coins and sell them ten years later. Neither could I bring myself to paying a premium for scarce items. I was as sure of my program of selling only coins out of pocket as Columbus was positive that the earth was flat, I mean round. And I was getting sick of those ten-cent cigars as I only smoked cigarettes.

As no dealer wanted my lovely 44-D cents, and since I wasn't quite ready to deposit them in the Last National Bank at face value, I decided to run ads in local papers as a method of selling my fugitives from the gum ball machines. After spending some 10 to 15 dollars on the ads, and selling some 5 or 10 dollars worth of coins, I finally was convinced that the quality of my coins did not merit the attention of any collector.

It was at this time that I first invested in a few copies of numismatic literature. But even the fine articles that appeared did not change my course from profit to enjoyment. I would read every ad listed column by column, but no editorial or article presented for the reader to enhance his knowledge or pleasure in coins. I did find that the silver dollars were in the news, and decided

to get some at the bank at face value naturally.

As my supply of culled thru silver dollars grew, I ran more ads in local papers. One of the persons who answered an ad by phone informed me of local coin clubs. He suggested that I join the North Shore Coin Club, which I promptly visited and joined. It was at their 1963 show that I was initiated to real quality coins and realized that no one would ever want my 44-D XF cents. It was difficult to get around to paying a premium for a coin, but with the assurance of some nice dealers,

A collection of C.S.N.S. convention badges and medals. This year the convention badge will be a unique collectors' item. Badges courtesy Harry X Boosel.

I plunged, trading my 44-D cents XF, and cull dollars for 2¢, 3¢ and 1/2¢ pieces, Buffalo nickels, etc.

My enthusiasm for coins and collectors began to grow rapidly. The dawn of the artistic beauty in the talent of the designers and engravers, the gorgeous toning of rare old pieces began to unfold, and I found myself actually studying these wonderful coins. I began to read the editorials and numismatic articles in the various journals, rather than only the price lists and ads. The historical significance of our coinage began to fascinate me, and on several occasions, I have been able to give a coin to one of my children to take to school in connection with something they were studying. Ancient coins have even crossed the path of my wife in her study of early civilizations.

The democratic camaraderie which is present wherever two coin enthusiasts meet knows no financial or racial barriers. Both rich and poor share in admiring a beautiful coin or an interesting article. This is a feeling that comes in no other hobby.

NOTICE OF PROPOSED AMENDMENTS OF BY-LAWS OF CENTRAL STATES NUM- ISMATIC SOCIETY

The Governing Board of Central States Numismatic Society hereby recommends that Sections 6, 7, and 8 of Article III of the By-Laws of said Society be deleted and that the following Sections 6, 7, 8 and 8 be substituted therefor:

Section 6. The President, in 1967 and in each odd numbered year thereafter, in the last issue of the Centinel published prior to November 1, shall issue a call for nominations of officers and governors. All nominations shall be made in writing to the Secretary during November of said year and the election shall be held during the following year. Nominations may be made only by Regular or Life Members in good standing at the time of submitting the nominations. No member may nominate himself. The Secretary shall promptly write to each nominee notifying him of such nomination and requesting his written acceptance or refusal thereof. No nominee may accept a nomination for more than one elective office in any one election.

Section 7. The Secretary shall cause a list of nominations and the actions of the nominees thereon to be published in the latest issue of the Centinel mailed to the members at least 45 days prior to the first membership meeting of the election year convention.

The Secretary shall obtain and publish in the last mentioned issue a biography, not exceeding 200 words in length, of each nominee who has so accepted a nomination, which biography shall include a record of his services to the Society and to numismatics in general.

Section 8. The Secretary shall cause the names of all such nominees who have so accepted to be printed on official ballots and shall cause one of such ballots to be mailed (at least 40 days prior to the first membership meeting of the election year convention) to each member in good standing, together with an envelope marked "Official Ballot" and addressed to the Secretary. Each envelope shall bear a different number, but the numbers selected shall be within the sole discretion of the Secretary. All classes of members in good standing shall have the right to vote. Voting shall be by mail only. Each voting member shall insert his ballot in said numbered envelope and seal and mail the same with postage prepaid. Such envelope must be postmarked at least twenty days prior to the date of the first membership meeting of the election year convention in order for the ballot therein to be counted. The Secretary shall retain all sealed ballots

unopened and, on the first day of the convention, shall deliver said ballots and a list of the envelope numbers selected to an Election Committee to be appointed by the President.

The Election Committee shall consist of not less than three (3) nor more than five (5) members of the Society who are not candidates for office, each member to be from a different State of the Central States Area as defined in Article I, Section 2 of the Constitution. Such Committee shall tabulate only those ballots that are included in envelopes bearing numbers corresponding to those selected by the Secretary. In instances where more than one envelope bears the same number, the Committee shall endeavor, by an inspection of the envelopes and the ballots therein, or by other means, to determine which ballots are falsified. The Committee shall cause all ballots, all envelopes and a report of the votes cast for each candidate to be delivered to the Secretary promptly following the tabulation.

Section 9. The candidate or candidates receiving the largest number of votes for the respective offices shall be declared duly elected; provided, however, that not more than two candidates residing in any one State may be elected as Governors even though one or more defeated candidates therefrom shall each receive more votes than an elected candidate residing in some other State. The President will announce the names of those duly elected at the regular

membership meeting of the Society. Formal installation ceremonies will be optional. New officers and governors shall assume office following the close of the last business session of an election year convention.

Said Governing Board further recommends that the present Section 9 of Article III of said By-Laws be hereafter designated as Section 10.

Said Governing Board further recommends that the present Section 10 of Article III of said By-Laws be amended to read as follows:

Section 11. All officers and governors must be individual members in good standing who have attained the age of twenty-one years and who reside within the said Central States area. No member may be nominated for the office of President unless he is or has been a member of the Governing Board.

Said Governing Board further recommends adding to Article V of said By-Laws a new section, designated as Section 5, which shall read as follows:

Section 5. A resolution may be adopted by mail, provided that a copy thereof must first be mailed to all members of the Governing Board and such resolution must be approved by the mail vote of not less than (10) members of the Governing Board.

Said Governing Board further recommends that Sections 5, 6 and 7 of Article V be hereafter designated as Sections 6, 7 and 8 of said Article.

Although the Weather Bureau tells us that the storm that dumped over two feet of snow on Chicago January 26 was not a blizzard, it would be difficult to convince **PHIL MORE** of that. A tour through the Caterpillar Tractor Company plant will show you how molten iron is transformed into powerful diesel engines which power crawler tractors, motor graders, trucks, and other Caterpillar products.

At this modern facility, you will also see how precision parts are machined, inspected and assembled into tractors for distribution around the world.

Peoria, is also the home of Hiram Walker & Sons, distillers of Bourbon, Whiskey and Liqueurs. This complex distillery has the capacity to process 20,000 bushels of grain daily. The world's largest distillery will reveal how their products are produced, aged and bottled for shipment to every country in the world. After seeing the

complex process required to produce their products you will be invited to their sampling room where you may judge their products for yourself.

You may wish to explore Peoria by bus. This trip begins by taking you down the "World's Most Beautiful Drive," Grandview Drive. Along this route you will see beautiful homes which overlook the vast Illinois Valley. As you travel down the Drive you may see sailboats racing on the Peoria Lake. After leaving Grandview Drive, your bus will stop at Foster-Gallagher, "World's largest mail order gift shop," where you will have a chance to shop among the thousands of domestic and imported novelty items. The next stop, "Junction City," a unique group of shops styled after those of the early 19th Century. At the Drug Store, you will see many early patent medicines and antique items on display. Also located in the Drug Store, is a beautifully recreated Soda Parlor. The final stop on the tour will be Lakeview Center, where you can relax while you enjoy beautiful and interesting art objects.

Tours will start at 9:30 A.M. on Friday, April 28. Reservations for the Industrial Tour or the Bus Tour may be made in advance by writing Peoria District Coin Club, P. O. Box 995, Peoria, Illinois, or may be made at the convention.

A Dangerous Precedent

Editorial

About a year ago the Convention Manager of the Chicago Convention Bureau informed us that the Great Eastern Numismatic Association was seeking convention facilities in Chicago for their 1968 convention. In August the Executive Director of G.E.N.A. came into Chicago and booked hotel space for a November, 1968 convention. This was done without the knowledge of any numismatist in Chicago, in fact, had it not been for the Chicago Convention Bureau and the Sheraton Hotel staff, we in Chicago still would not have known of this planned convention.

We do not know why the Great EASTERN Numismatic Association has chosen Chicago for a convention site. The Executive Director states that G.E.N.A. has many members in the Chicago area, but their roster of charter members shows only two members from Chicago — both dealers. We feel, however, that the issue is not WHY they are coming to Chicago, but simply the fact that they ARE coming.

It is no secret that regional organizations have had some difficulty in the last few years

due to the squeeze applied by the national organizations on the one side and the local clubs on the other. The policy of the C.S.N.S. has been to work with the existing factors and at the same time try to increase our membership base within our thirteen state area.

The entrance of the Great EASTERN into our area cannot but have detrimental effects on both regional groups. Without a local membership base and local support and organization, G.E.N.A. has a slim chance of succeeding in Chicago, but the fact that this convention comes six months before our convention in the same hotel may result in spreading conventions a little too thickly while the attendance and interest remain constant. We doubt that a membership war or a convention battle between two regional organizations could have any good effects. We ask G.E.N.A. to reconsider their Chicago date, they have set a dangerous precedent.

We Salute Nebraska

By — Arlie R. Slabuagh
C.S.N.S. #670

Nebraska, one of the western states covered by the Central States Numismatic Society, is this year celebrating its 100th anniversary as a State. Centennial medals are being issued which will be sold through banks in Nebraska, however, the Medal Chairman of the Nebraska Centennial Commission, John J. Gabarron (C.S.N.S. Governor), has offered to fill mail orders for the three types. His address is P. O. Box 30011, Lincoln, Nebraska 68503. It comes in serially numbered silver at \$11.00, 1 3/4" bronze at \$3.75, and 2 3/4" bronze with easel at \$5.50.

pictures Lincoln and the reverse the State arms with motto "Equality before the Law" and the dates May 25-26, 1867-1892 above. Being a Lincoln medal it is listed in Robert R. King's catalog of "Lincoln in Numismatics" as No. 460.

Another medal on the "Semi-centennial" of Nebraska was issued in 1904. This really refers to Nebraska Territory, formed as a result of the Kansas Nebraska Act under the sponsorship of Senator Stephan A. Douglas in 1854. This medal depicts the first capitol building with dates 1854-1904 below, and "9th bet Farnam &

It might be of interest to collectors that these aren't the first medals celebrating Nebraska's statehood. Illustrated is a Silver Anniversary Medal issued in 1892. Made of aluminum by Childs, Chicago, it is 37 mm. in size. The obverse

Douglas." The reverse has a map of the State. Aluminum 33 mm.

Likely there are other Nebraska medals for the 50th anniversary etc. My reason for bringing up these earlier medals is not to catalog them, but to

not to catalog them, but to raise a point: How often do you see these earlier State medals? Very seldom, in fact, many of them have never been published in numismatic sources. What I am getting at is that 25 to 50 years from now the Nebraska and other State Commemoratives currently being issued may be almost unobtainable as the earlier issues. Some of these have been issued

in comparatively small quantities.

For those that collect State medals, here in the Central States, we are right in the midst of things, and the time to obtain them may be now. Last year Indiana issued medals for its Sesquicentennial, this year Nebraska has its Centin-
nel, next year Illinois will celebrate its Sesquicentennial.

ATTENTION

The following are the dates for future C.S.N.S. conventions:
 April 28-30, 1967 Pere Marquette Hotel Peoria, Illinois
 April 19-21, 1968 Sheraton-Cadillac Hotel Detroit, Michigan
 May 2-4, 1969 Sheraton-Chicago Hotel Chicago, Illinois

Invitations for the 1970 and 1971 conventions will be accepted at the Peoria, Illinois convention. Information and particulars may be obtained from Howard B. Eisenberg, P. O. Box 45307, Chicago, Illinois 60645.

History Of The C.S.N.S.

By — Dr. F. S. Epps

Chicago was the site for the 1953 convention of the Central States Numismatic Society. The May 1–3 meeting was held at the La Salle Hotel and marked the Society's eleventh annual session.

Col. James W. Curtis presided as President with Paul H. Ginther as Secretary. The registered attendance at the convention was 499 with 44 bourse dealers and a two session auction by R. Green highlighting the business activities. The Treasury showed a balance of \$370 with membership standing at 109 regular members and 51 life members.

Letters were read from Mrs. Pond, Capt. Dodson, and Joseph Maley thanking the Society for its nomination to A.N.A. offices. Invitations for future conventions came from Columbus, Cincinnati, Grand Rapids, and Milwaukee. It was announced that the Society would award three medals in the future: bronze exhibit awards for the best convention exhibit; bronze medals of award for outstanding contributions to numismatics; and past Presidents medals in silver. A proposal was made at this convention to start a C.S.N.S. publication.

The officers elected for 1953–4 were President James Curtis; Vice President C. C. Shroyer; Secretary-Treasurer Paul H. Ginther; and Governors Harry X Boosel, Harold

L. Bowen, James Buckbinder, Lloyd B. Gettys, Sol Kaplan, Mark Nelson, Carl T. Shelby, and Glenn B. Smedley. Dr. J. Hewitt Judd, President of the A.N.A., was the installing officer.

The twelfth annual convention of the C.S.N.S. was held in Milwaukee April 30, May 1 and 2, 1954 at the Hotel Pfister. Forty-two members were present at the business meeting with President Curtis and Secretary Ginther presiding.

The treasury showed a balance of \$400 and the membership had increased to 278 with 224 regular members, 51 life members, and 3 corporate memberships.

C. C. Shroyer was elected President; Erwin C. Gerber, Vice President; Earl C. Brown, Secretary-Treasurer; and Governors, Buckbinder, I. C. Ebeling, Gettys, Kaplan, Richard Kenney, Nelson, and Smedley. They were installed by J. Henri Ripstra.

It was noted that A.N.A. Secretary Lewis Reagan was ill and was greatly missed at the convention by all present. It was the first Society convention that Regan had missed. The convention registration was 506 with 54 bourse dealers and an auction handled by the Numismatic Gallery of California. The Centinel is now being published semiannually.

The 1955 convention will be in Detroit.

THE CLUB CORNER

Apropos to the time, a program rich in our country's history highlighted the 295th meeting of the Missouri Numismatic Society of St. Louis C.S.N.S. 850, Monday, February 13, 1967. Ninety-five members and guests attended the meeting held in the Cafe de Ville Room of Holiday Inn, Mid-Town, St. Louis.

Member Harry J. Fechte presented to the group the entire musical score and narration of the NBC "Project 20" Television program, "Meet Mr. Lincoln," originally sponsored by The Lincoln National Life Insurance Company, and telecast in conjunction with the 150th anniversary of Lincoln's birth.

Enhancing this program were exhibits shown by member Ernest M. Schultz comprising one of the very rare original bronze plaques of the Lincoln design presented by Victor D. Brenner to Congress in 1907 for approval prior to minting of the Lincoln cent in 1909; — a 2" bronze "Seward" medal authorized by a Special Act of Congress, 1 March 1871, and presented, in gold, to George Robinson credited with saving the life of the Secretary of War at the time of Lincoln's assassination; — and a commemorative plaque citing Lincoln's failures and ending aptly enough with the tribute: "But in the face of all this defeat and failure, he eventually achieved the highest success attainable in life, and undying

fame to the end of time."

President Stevenson announced continuation of free Bourse for Society members, and one new member was admitted. Coin Festival Chairman, David Cooper, is now receiving Bourse applications for the Society's 8th Annual Coin Festival to be held Saturday and Sunday, August 5-6, 1967, at The St. Louis Gateway Hotel (formerly Statler-Hilton). Would-be exhibitors are invited to contact Exhibit Chairman Ora Royer at 5514 Winchelsea Drive, St. Louis, Missouri, 63121.

Cooper also announced Missouri Numismatic Society of St. Louis acceptance to invite the Central States Numismatic Society 1971 convention to St. Louis, the year following the A.N.A. Convention in St. Louis in 1970. Bourse, refreshments, and an auction of 37 lots concluded this memorable evening.

Stressing club support and leadership, Secretary Frank Orłowski, of the Austin (Minn.) Coin Club, C.S.N.S. 1094, recently reminded members that "club leadership is important and will continue to be more important.

"We are at the crossroads of our hobby and the arousing and keeping of interest in the hobby will determine if numismatics sinks or swims. Enthusiastic club officers will keep our club and hobby alive and enjoyable.
